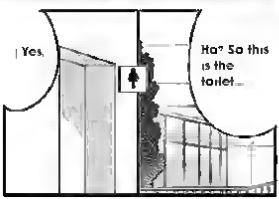
Similarities with Nishimori Yusa
Becoming friends with an idol
Ha?
Let me show Yusarin the scenery around the school!
Speaking of which...
Yusarin is so cute!
As beautiful as a painting.
The scenery needs to be just like Yusarin...
It would be good if I can get an autograph for her as a present...
Ayumi is her fan...
Or the rooftop where you can see as far as you want...
There is the flower-filled lounge
And if I can get close to her, I can show off all I want...
Toilet
!?
This is the toilet
What's wrong? Otosaka?

An idol's intestines is clean

The toilet



There must be something wrong with her..
Waw! That means we can use it however we want
There's one on the floor above as wel as another above tha

A rare sight

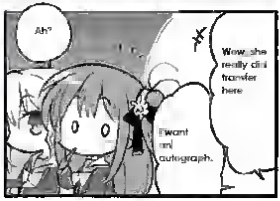
Full of nutrients

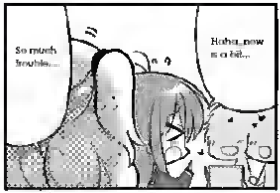
This is my recommendation, bananas mixed with beans together create a good meal.
Wow! It's filled with foods that Yusa likes!

Please don't argue

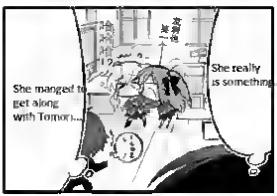
Even if you think like that, don't say it out aloud.

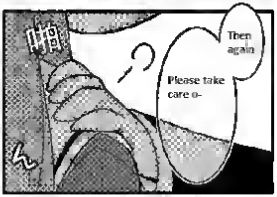
Private time



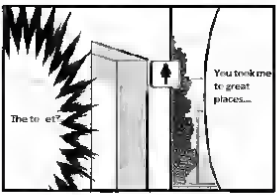


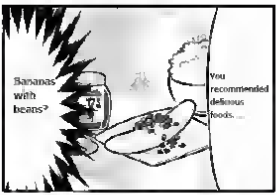
Friend recommendations





A gentle Tomori





If it's your personality I'll just bear with it
Wow! Great!
But my way of talking is a part of my personality Please bear with me.

YOU BASTARD!
DON'T YOU TOUCH YUSA WITH YOUR FILTHY HANDS!
I'LL KILL YOU!
!!!

AHHHHHH!!
T
Takajyo
Eh?
Dat Yusa fall asleep just then?
No.
Takajyo get roasted just then.
Oh right
Yusa's special ability as "Channeling".
But she can only channel the spirit of her dead sister
She retains no memories of the time she is possessed by her older sister.
Ahhahaha
It's such an incomplete ability.

So Misa takes over
Other than being an idol, Yusa has no specialties
Misa s strong as hell in that department.
When she can t hold an argument...

It feels like we found another friend.
Although I like Yusa, Misa is a bit...
Ha?
This place really is filled with weird people.

Aye..
Please take good care of Yusa!
学生会越来越热闹了!
